

CHECK A BOX SAVE A LIFE

You have the power to save a life, by simply checking a box on your 2015 tax return. You can donate a portion of your state income tax refund directly to Ohio's Breast and Cervical Cancer Program (BCCP).

Why? Women in Ohio who are diagnosed with breast cancer are more likely to die from the disease than almost anywhere in the U.S.

How does BCCP help? The program helps women overcome income, insurance, education and access barriers to breast and cervical cancer screening and diagnostic services. BCCP is a critical and lifesaving safety net for the working poor in our state.

What can you do?

You can voluntarily contribute any portion of your eligible state tax refund directly to BCCP to support breast cancer screenings. The more Ohio supports this program, the more federal funds we also receive.

3X

All BCCP tax check-off contributions will be matched three-to-one.
